

For many of the homeless, Thanksgiving is just another day without food or shelter. For struggling men, women, and children who experience homelessness and hunger in Bay County, **a meal at Panama City Rescue Mission often becomes their first step on a path to a life restoration.** As we gear up for Thanksgiving, we know just how important a meal can be.

This year the world has been faced with many challenges. Due to the COVID-19 pandemic, the PCRM has seen an overwhelming influx in people seeking food and shelter. Job layoffs, lack of affordable housing, and the recent lift on eviction moratoriums are just a few of the reasons so many people are seeking assistance. Per the CDC recommendations for Holiday celebrations, we will not be hosting our annual Thanksgiving meal in person this year. We will be serving the public with a Thanksgiving to-go meal at our Men's Shelter, 609 Allen Ave. Panama City, FL 32401.

We continue to expand our Life Transformation Program and are seeing amazing results in the Men and Women we serve. We are assisting them in obtaining necessary documentation to obtain employment, providing transportation to and from appointments and work, and helping them find affordable housing.

This Holiday season we are in urgent need of donations to keep our facilities open. As the temperature is starting to drop, more people on the streets will be seeking a warm place to stay as well as a warm meal. We have been working diligently throughout the COVID-19 pandemic to keep providing life's basic necessities.

Please consider donating generously to assist us in providing these critical services to those in need. Since 1973, the PCRM has been committed to Christ-centered rescue, recovery, and restoration in an effort to break the destructive cycle of poverty and homelessness.
