

This Christmas, we hope you make many wonderful memories as you gather around the tree, sing carols, and share meals with cherished family and friends. We also hope you **remember the local families without hope and without a home to celebrate the birth of the Savior**. As we approach the Christmas season, we thank you for faithfully giving to help the hungry and homeless during this trying time. Because of you, our guests have a safe place to sleep, food to eat, and the opportunity to start a new life free from their past.

This year has been a whirlwind to say the least. We have overcome many obstacles just to keep our doors open. Amidst the craziness of the pandemic, we began the remodeling of our Men's Shelter at 609 Allen Ave., and hope to have it reopen by Spring of 2021. The most successful change this year was the implementation of our new **Life Transformation Program** that helps our clients become self-sufficient outside our walls. We're assisting them in obtaining necessary documentation to obtain employment, providing transportation to and from appointments and work, and helping them find affordable housing.

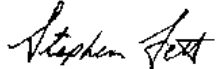

The need for our service continues to grow as many of our neighbors **STILL** seek help following the aftermath of Hurricane Michael. The support of our community makes the services we offer possible. As you consider your year-end giving, please remember those who find themselves in *desperate* situations this holiday season.

We sincerely thank you for your selfless commitment. Please know that your gift today will extend a helping hand—**and hope**—to those who need it most. With every dollar you donate, you embrace Jesus' message of unconditional love and understanding. Thank you for helping us touch lives in meaningful ways. **May you and your loved ones have a blessed holiday.**
